Paul Maillard STORIES

Do you remember the heyday of LA 52? The Paul Maillard area of Luling and Boutte has been a hub of activity throughout its existence. Now, in an effort to help plan and promote the revitalization of the corridor while capturing its rich history, St. Charles Parish government is asking current and former residents to share their memories, stories and photos of growing up, living and doing business on Paul Maillard Road.

Visit www.paulmaillardstories.org to learn more and share!
